

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Moreover, the program they plan to air is pure propaganda specifically designed to tip the balance of the presidential election to Bush.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. I am asking for reform of current policies . I am also asking that the FCC take action to prevent Sinclair's attempt to hijack the U.S. presidential election.

Thank you,
